

The first time you come it can be tricky to find us, so here are some tips to help you:

## By Satnav

Our postcode is LL61 6LQ, but here in Anglesey postcodes can be quite large! Use this in your satnav and you will arrive at a place called 'Pen Sarn' which is about half a mile short of the centre. Keep going along the road and you'll find us just before you reach the sea.

## Directions

From the mainland or Beaumaris area:

1. The easiest way to find us is to get on the A4080 from Llanfairpwllgwyngyll (follow signs for Anglesey Sea Zoo) and watch out for our brown signs along the way.
2. **DON'T** turn down the little backroad in the village of Brynsiencyn, just stay on the main A4080 through the village.
3. Around 2 miles beyond Brynsiencyn on the A4080 turn **left** when you see our large brown signs at Dwyran.
4. At the next junction (around 300m), turn left (it's actually straight ahead) on to the backroad.
5. Stay on this road for 1.3 miles and you'll reach us.

## From the north of the island (Holyhead, Amlwch, Benllech):

1. Head for junction 6 of the A55. From there take the A5 towards Gaerwen.
2. Shortly after passing Holland Arms Garden Centre, take the turning to the **right** signposted "Newborough B4419".
3. After 3 miles you'll enter the village of Llangaffo, take the **left** turning opposite the small shop, signposted "Dwyran, Brynsiencyn B4419(A4080)".
4. Follow this road until you reach the main A4080 after 1.5 miles, then turn **right** towards "Newborough A4080".
5. Turn left when you see our large brown signs.
6. At the next junction (around 300m), turn left (it's actually straight ahead) on to the backroad.
7. Stay on this road for 1.3 miles and you'll reach us.

## From Rhosneigr, Aberffraw and Malltraeth:

1. Follow the A4080 South-East towards Newborough.
2. Continue through Newborough and turn **left** at the roundabout.
3. After 1.6 miles, follow our large brown signs to the **right**.
4. At the top of the hill (T-junction), turn **right** on the the backroad.
5. Stay on this road for 1.3 miles and you'll reach us.
